fine art landscape photography

Thank you. You've done the right thing.

Having donated, you can now feel assured that 100% of your contribution will be sent to the Southern Utah Wilderness Alliance (www.suwa.org), and with the full knowledge that your donation will be used to fight for the preservation of our precious natural resources. I hope you will enjoy the actual print quality tiff file of "BuckhornWash" (represented in small scale above). The photos on my site (<http://www.swellphotographs.com>) mean a lot to me, and it's my pleasure to give this one to

you, rights-free, to use however and wherever you see fit. If you have any questions about this photo, or any other photo on my site, feel free to contact me at rod@swellphotographs.com, or 617-470-4486.

Thanks again for your generous donation.

Best regards,

Rod Daynes
